

# THE GLOBAL ACADEMY OF LAW-TECH EDUCATION & RESEARCH (GALTER)

PROF. DR. M.K. BHANDARI  
FOUNDER DIRECTOR

## THE GALTER'S DOCTRINE

### *The Signature*

When Aristotle The Great defines Law, A sort of Order, A comprehensive framework of Rules, It regulates, enhances & and constitutes a Tool!

The ideal Synthesis of Natural & Technical Production is TECHNOLOGY,  
Is Great Man's Philosophy, That brings us to Sublimity!!

Law & Technology are Two streams that flow together, To Energize & Enhance each other!!  
Both working on the same Line, Both are the Amalgamation of Nature Sublime,  
Both deal with Order & Synthesis, That forms the crux of Universe Divine!!!

GALTER too is working on the same Line, It's GALTER's In-depth Doctrine!!!!

DR. SHOBHA BHANDARI  
MEMBER, GALTER
